

How to Apply for CCS (Child Care Services) to Help Pay for Care at the MAAC

Thank you for your patience as you work through this process. We know it can take time, but these steps will help you secure funding for your child's care at the MAAC.

- 1 Create your account (TX3C). Go to Texas Child Care Connection (TX3C) and click Sign up / Log in.
- 2 Complete the quick Eligibility Screener. Confirm where you live, your child's age, work/school activity, and income.
- 3 Start the full application for the Panhandle (Amarillo). Select Workforce Solutions Panhandle as your local office.
- 4 Gather and upload documents: proof of income, child's age, U.S. citizenship/immigration, Texas residency, and your work/school schedule (or job-search status).
- 5 List your activity hours. Tell TX3C if you're working, in school/training, or job-searching.
- 6 Pick your provider preference (the MAAC). Search for Martial Arts & Athletic Center (MAAC) in Amarillo.
- 7 Submit your application. Approvals usually take about 3–5 days.
- 8 Watch for your approval notice & next steps. You'll be asked to finalize care with your chosen provider.
- 9 Set your start date with the MAAC + pay your Parent Share of Cost (if any).
- 10 Keep your case up to date. Report changes and follow attendance rules so your scholarship stays active.
